OUR FORGOTTEN ANZACS "THE WALER HORSE"

Commemorative Medallion

The Waler Horse Society of Australia Inc, PO Box 74, Rosewood Qld 4340, has commissioned The Adelaide Mint to produce a medallion to honour the loyal and courageous service by Waler horses to Australians in three wars. This cupro-nickel proof-like medallion comes in crown-size (38.35mm diameter), packaged in a numbered story-card, and is a must for all horse lovers, ex-servicemen and women and collectors alike.

Many Australians have heard a tale or two about the wonderful horses that carried Australian troops to battle in far-away places and the love and affection that our men gave to their horses, but little has been done to recognise them as the backbone of many of the famous actions and courageous deeds carried out by our soldiers. This medallion has been issued to give some recognition and to honour Australia's own horse, "the Waler" - the horse from the Colony of New South Wales.

Please fill out the order form below and send it with payment to The Adelaide Mint if you would like to purchase one of these limited mintage and unique medallions (obverse and reverse sides as shown). Please allow 3 weeks delivery.
